

Safer Studio™ Summer Phase-In Guide

4251 Canyon Lake Drive

Dancers find a curbside open station (flower pot) until our A-team member greets to help sanitize hands at entry. Please use restrooms at home before arrival, and limit parent drop off to one person for Summer term.

The studio re-opens its front door to registered students and faculty only, assigning class sizes to no more than 5 at a time for phase-in. We ask that parents view class LIVE via Zoom from their vehicle or outside.

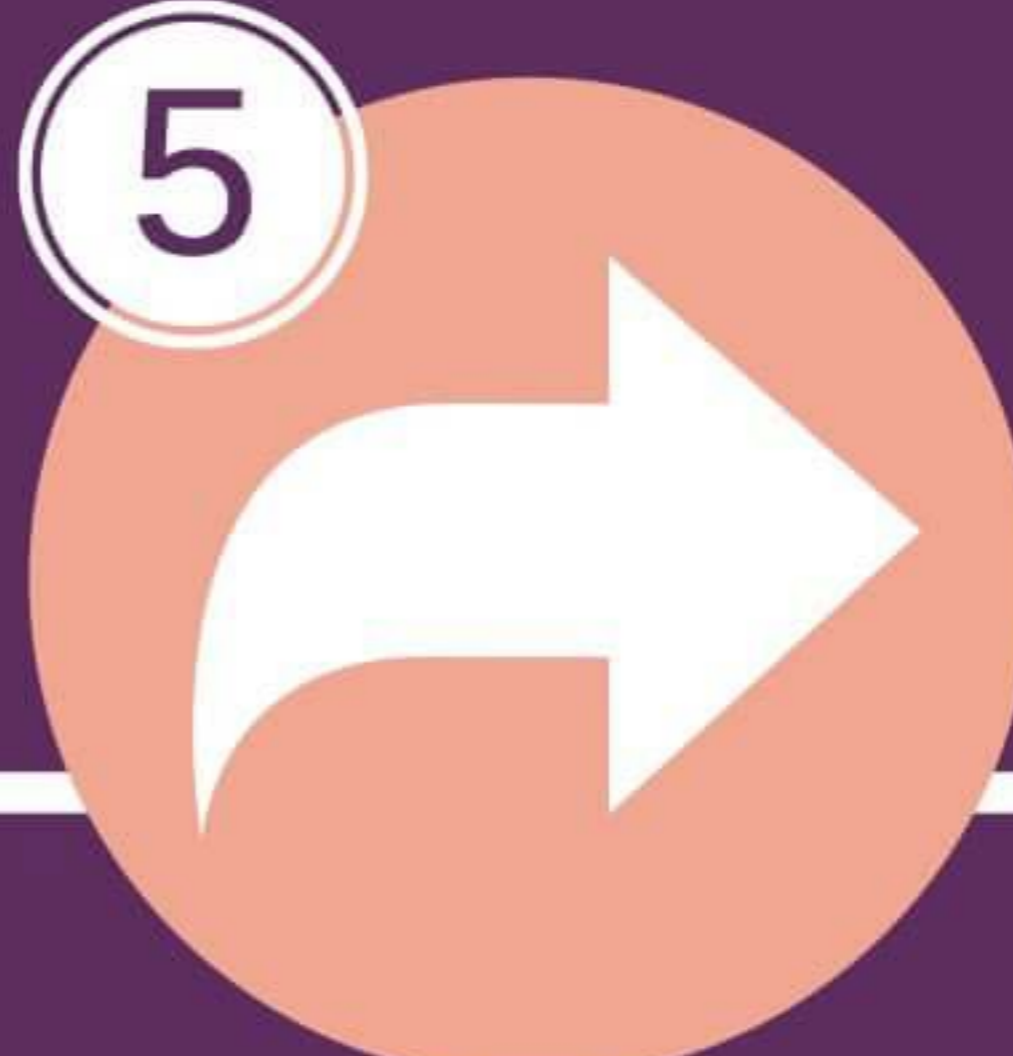

Dancers may bring a water bottle with their name to class and a face mask in consideration of others. Arrive pre-dressed in dance clothing with a cover-up and bring only the shoes needed for that class into the building. No bags or food this term.

Enhanced cleaning procedures, frequent hand washing, facility and curricular adjustments, physical distancing guidelines, and minimized mixing and mingling, prioritize our hierarchy of safety measures.

Staff members are wellness-checked before their shift. Parents are asked not to bring or send students to physical classes if they or a member of their household has a fever or signs of respiratory illness.

Students will have staggered dismissal from the rear door along Lakeview Dr. with an Academy member. Please be available, as students won't be released to walk across the parking lot or alley for safety reasons. Please continue to observe physical distancing guidelines.

We are SO excited to host you for Summer Programs with a gradual re-opening and continuous parent communication. Join our **Academy Families & Students Facebook** page for news and smooth transitions!
